

Spring Is Here

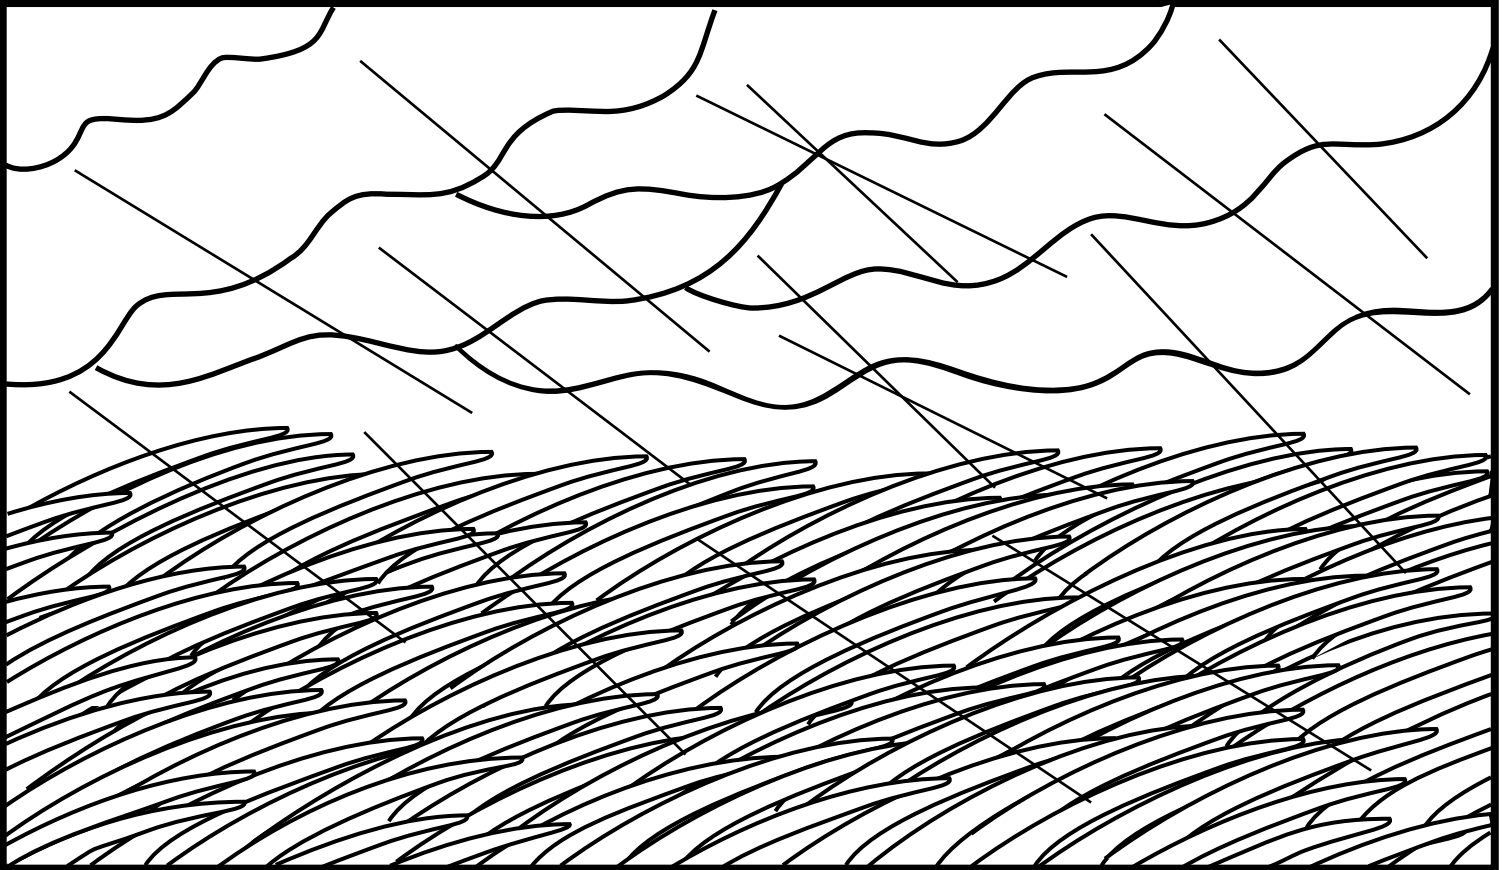

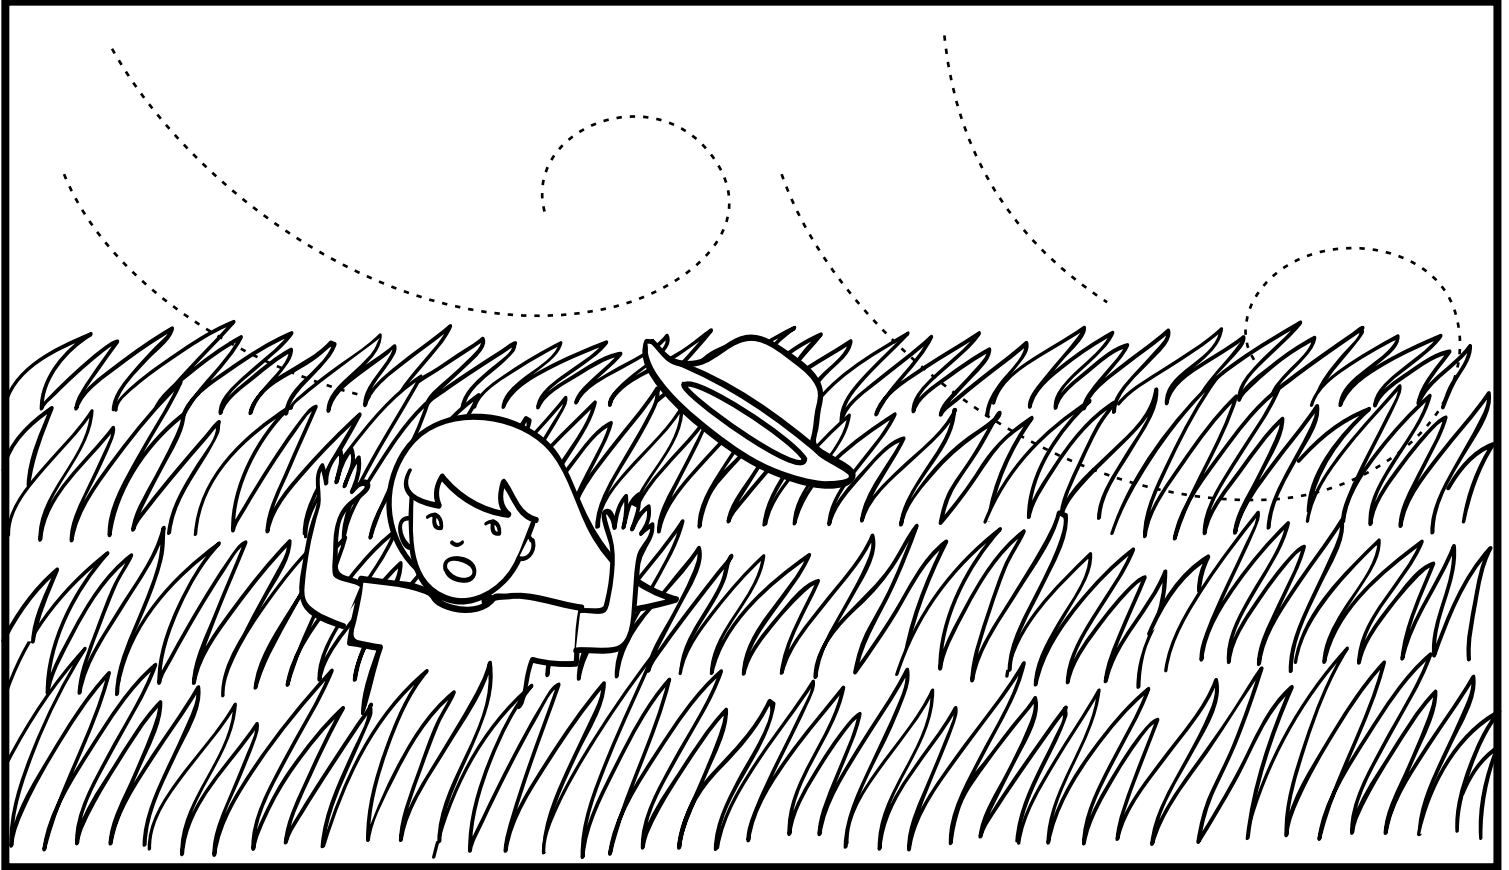

Spring Is Here

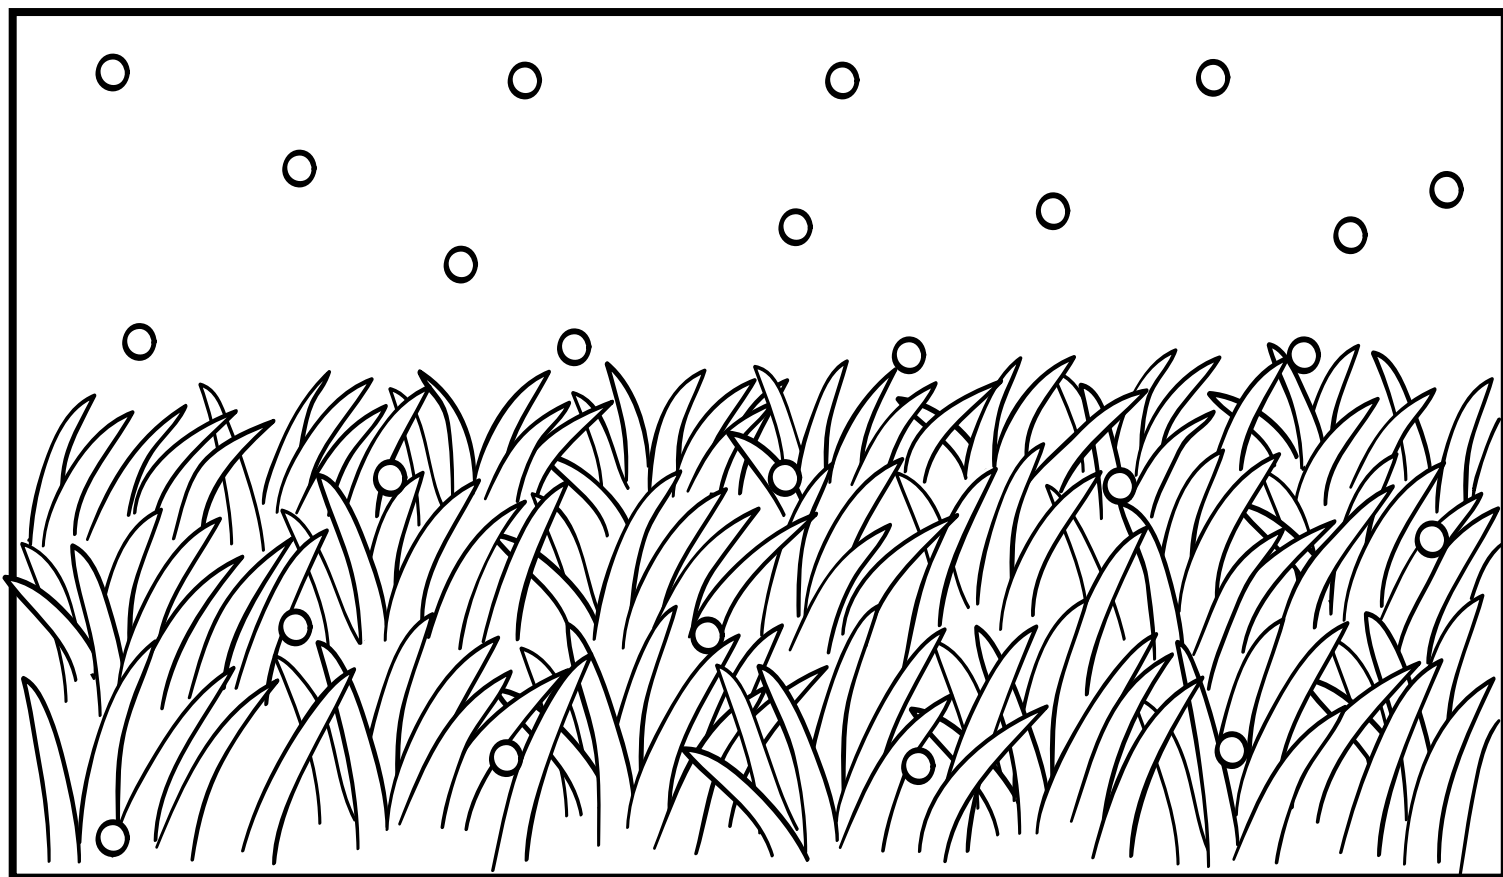

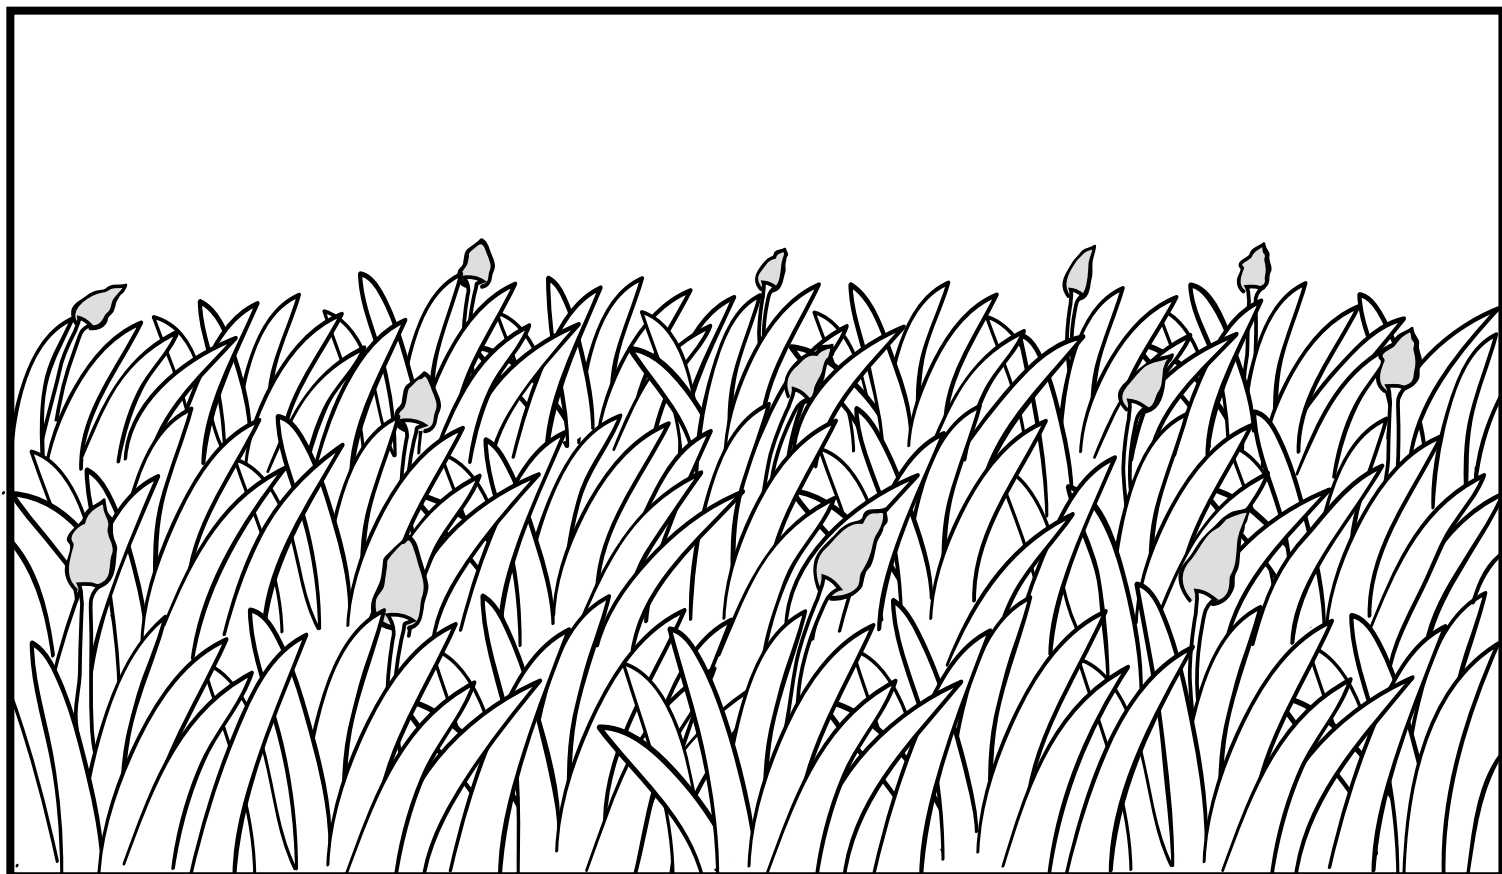

Spring Is Here

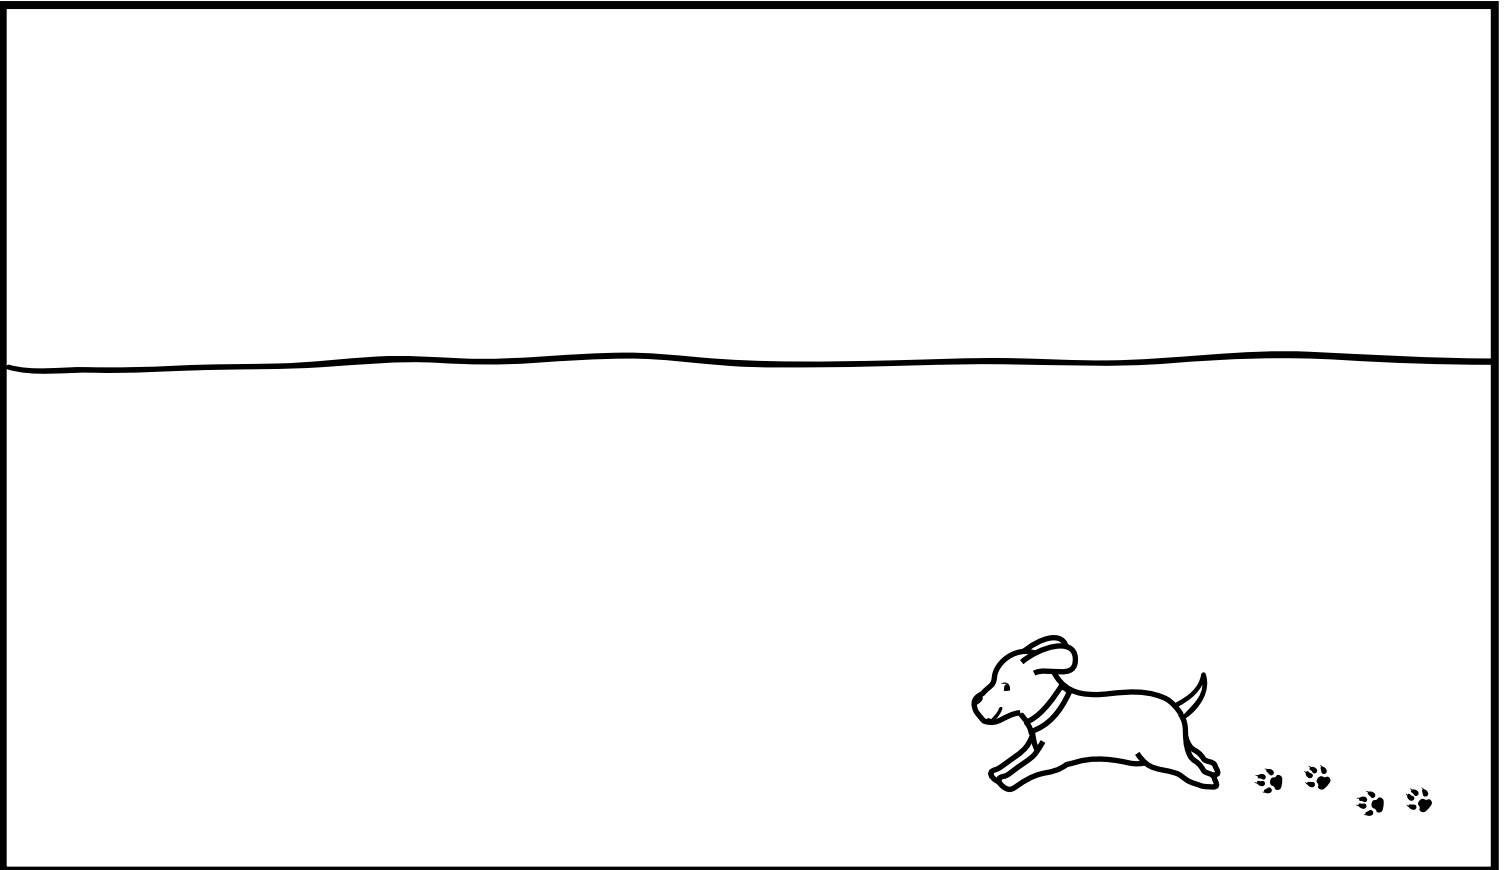

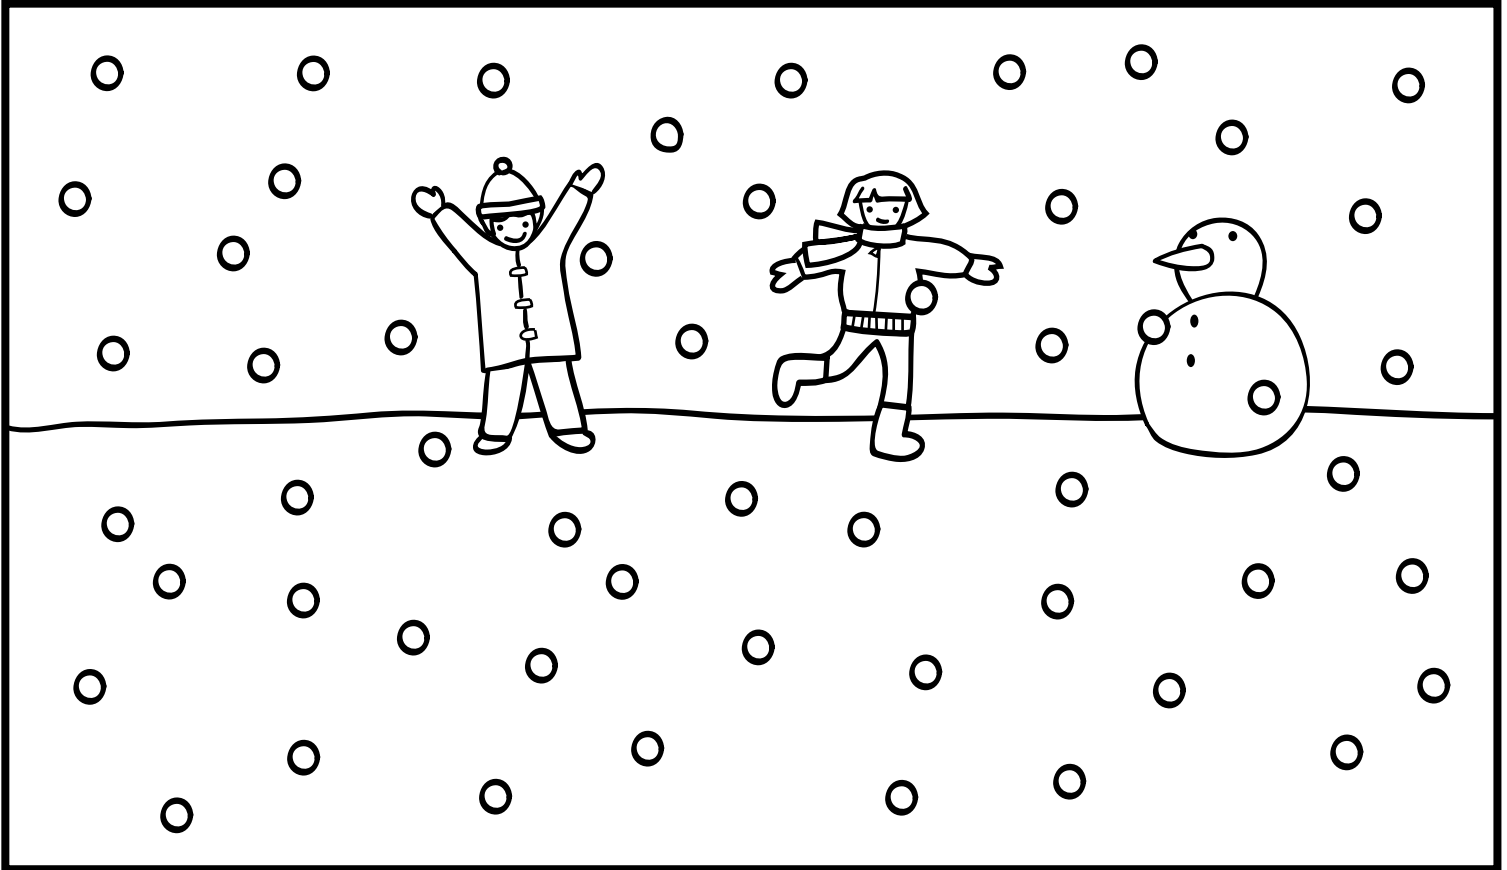

Spring Is Here

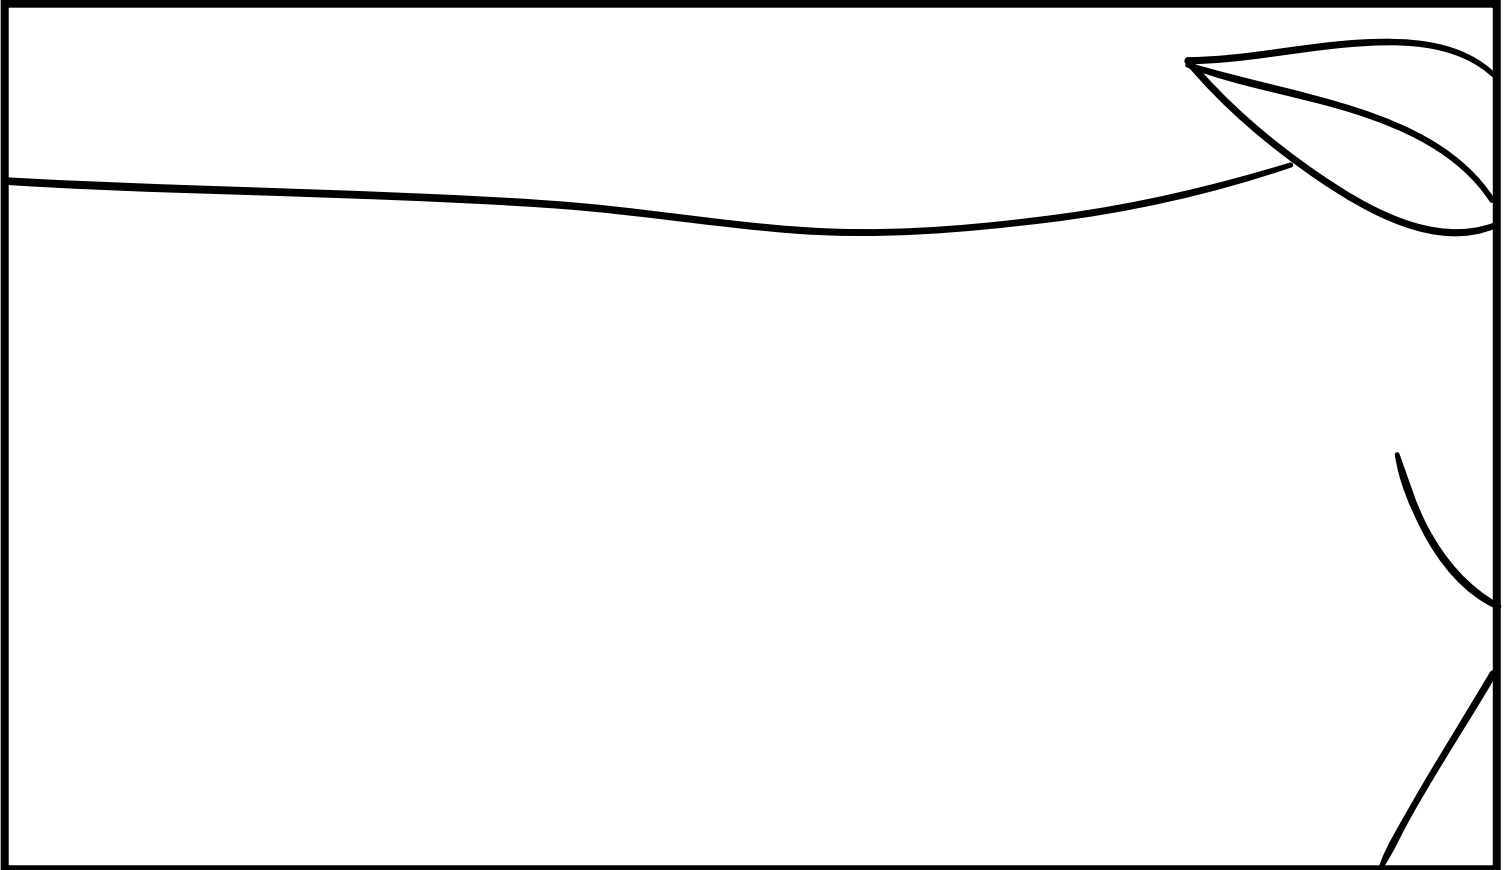

Spring Is Here

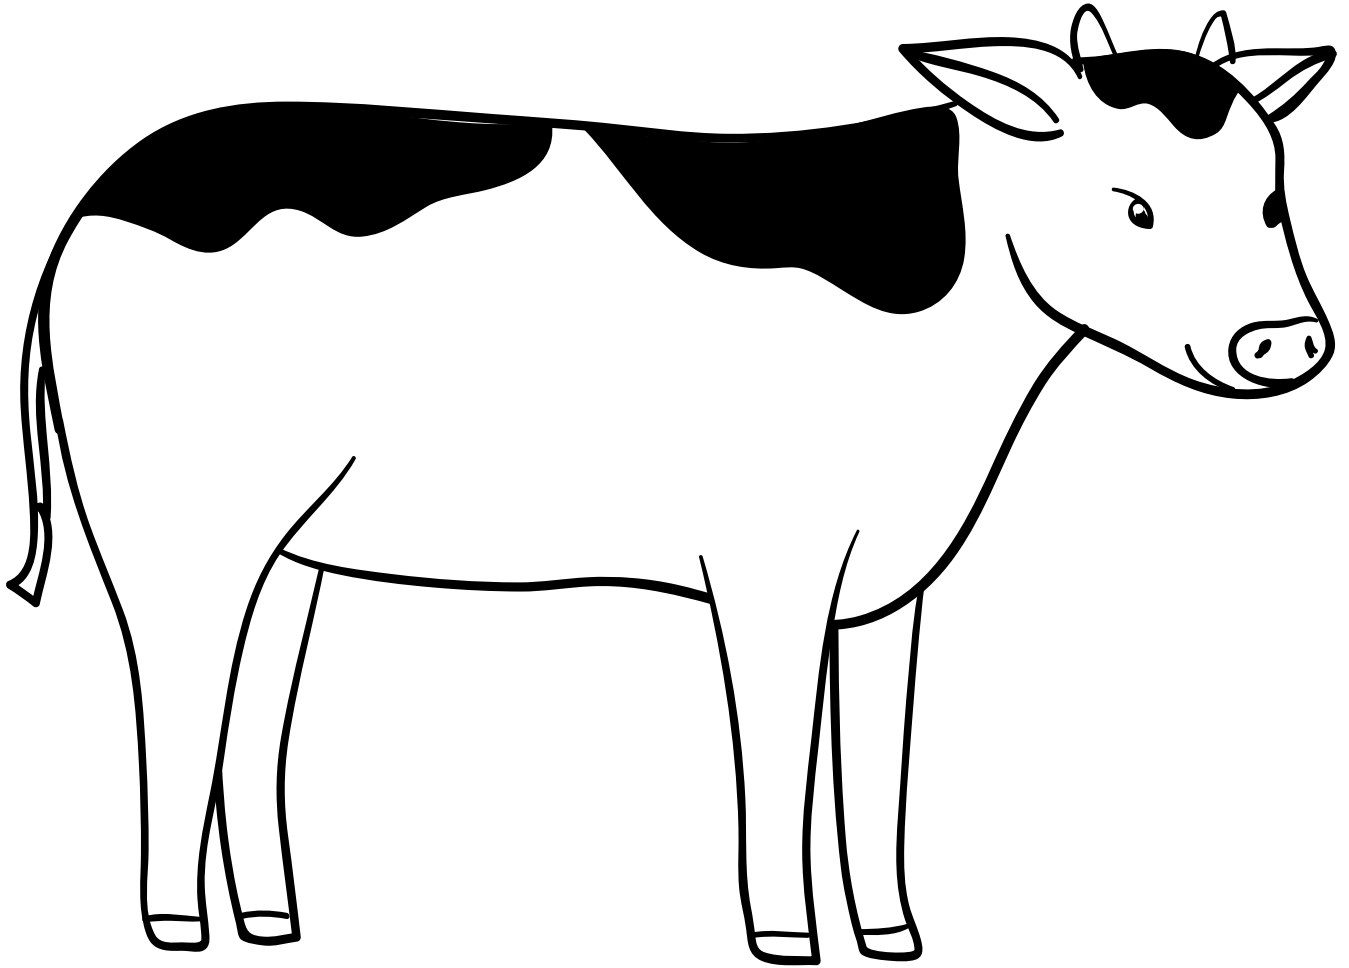

Spring Is Here

Spring Is Here

Spring Is Here

Spring is here.

The snow melts.

The earth is fresh.

Spring Is Here

The grass sprouts.

The flowers bloom.

The grass grows.

The winds blow.

The storms rage.

The quiet
harvest arrives.

Spring Is Here

The snow falls.

The children play.

The world is hushed.

The world is white.

The snow melts.

The calf has grown.
