Friends help each other.

Copyright © by KIZCLUB.COM. All rights reserved.

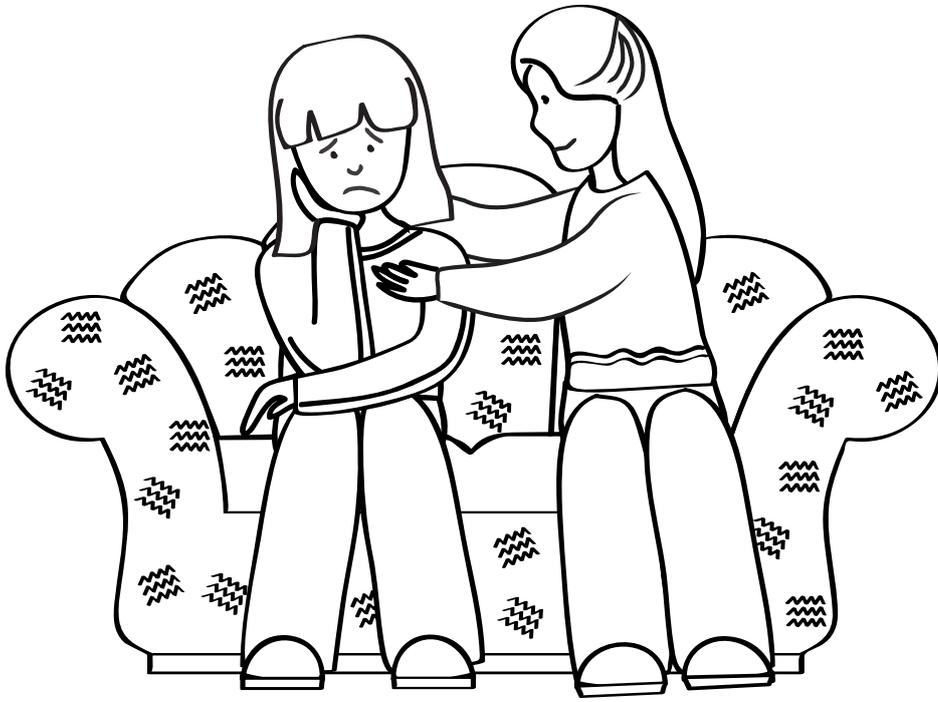

When I put away toys, my friend helps me.

Friends share.

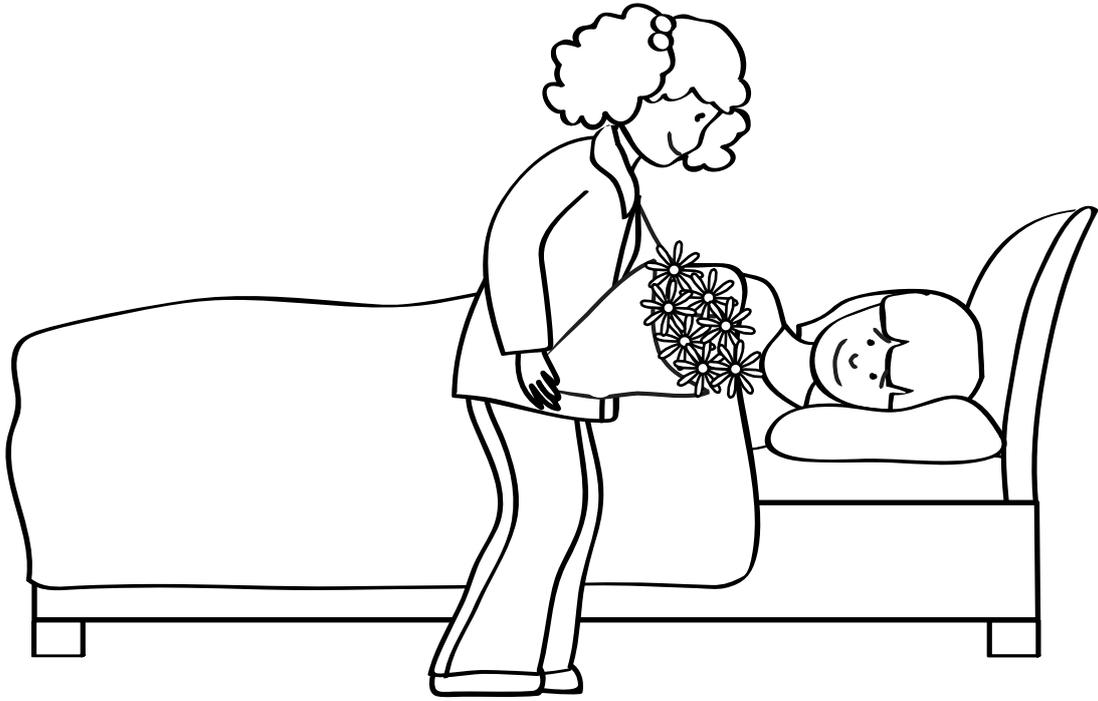

When I need a crayon but don't have any,
my friend shares her crayons.

Friends understand each other.

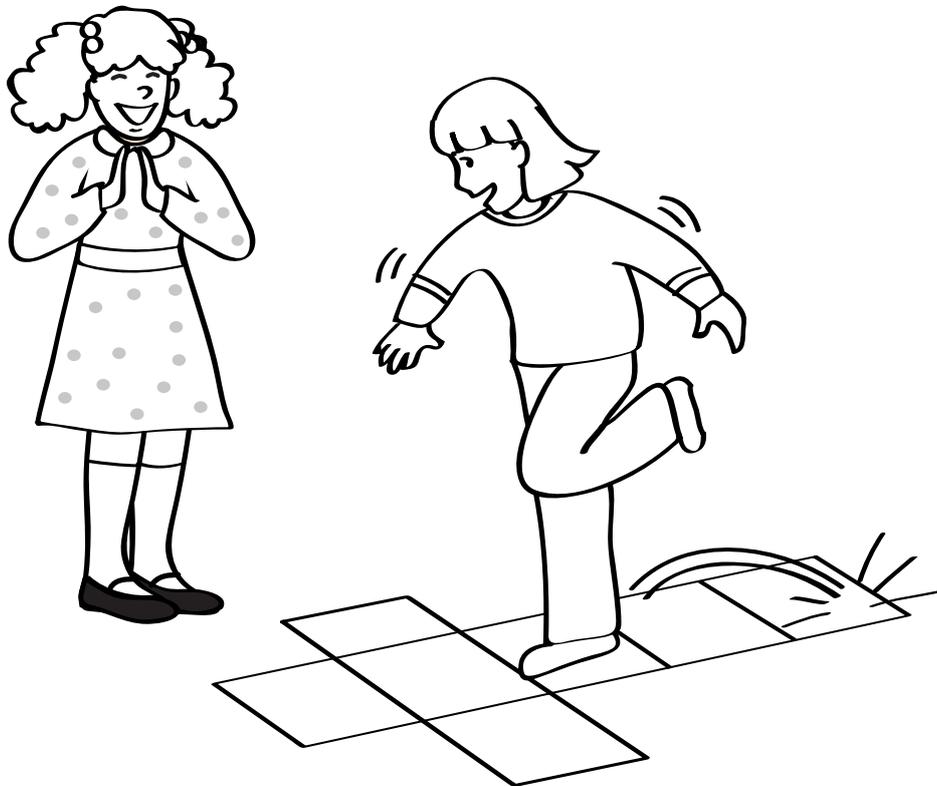

When I have a problem, my friend is always on my side.

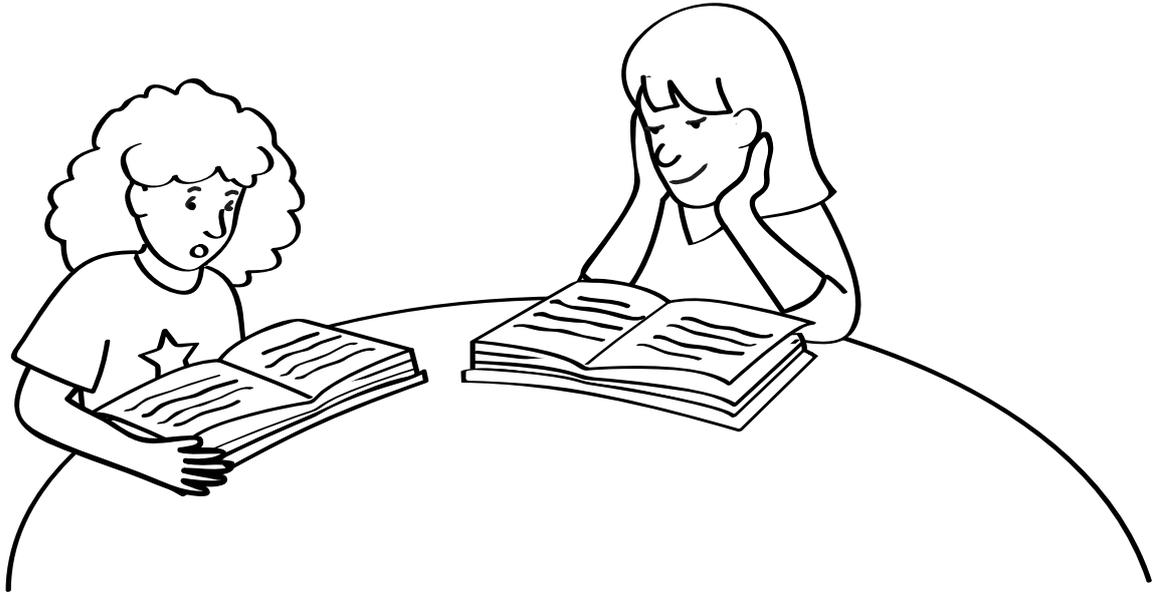

Friends care about each other.

When I'm sick in bed, my friend visits me.

Friends play together.

Friends study together.

We are friends in both good and bad times.
