---

1

There are many different kinds of houses  
all over the world.

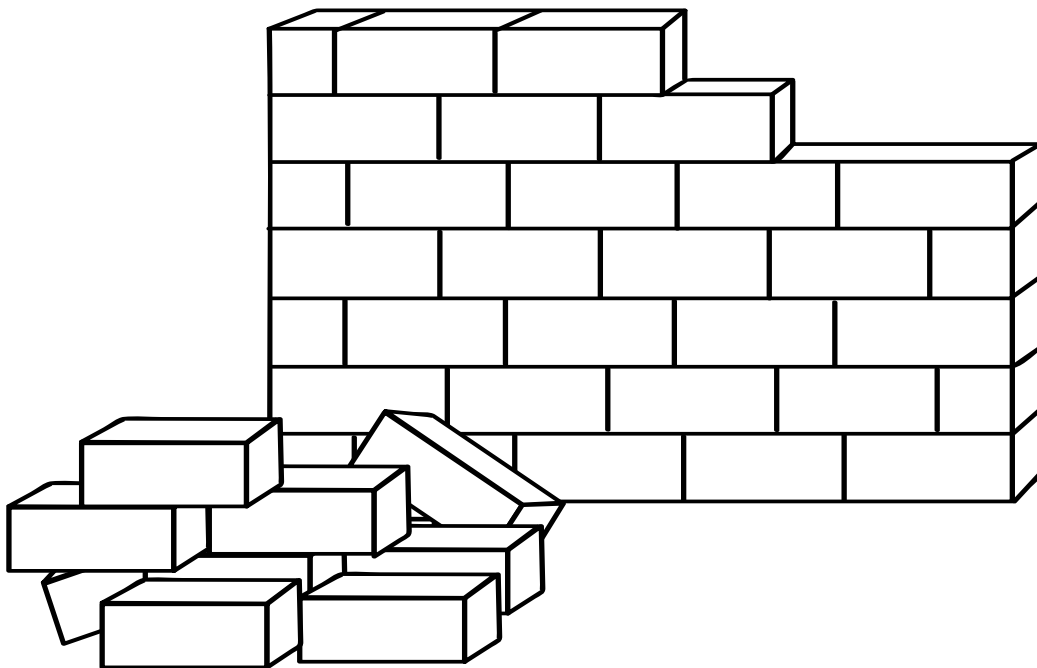

---

Some houses are made of wood.

---

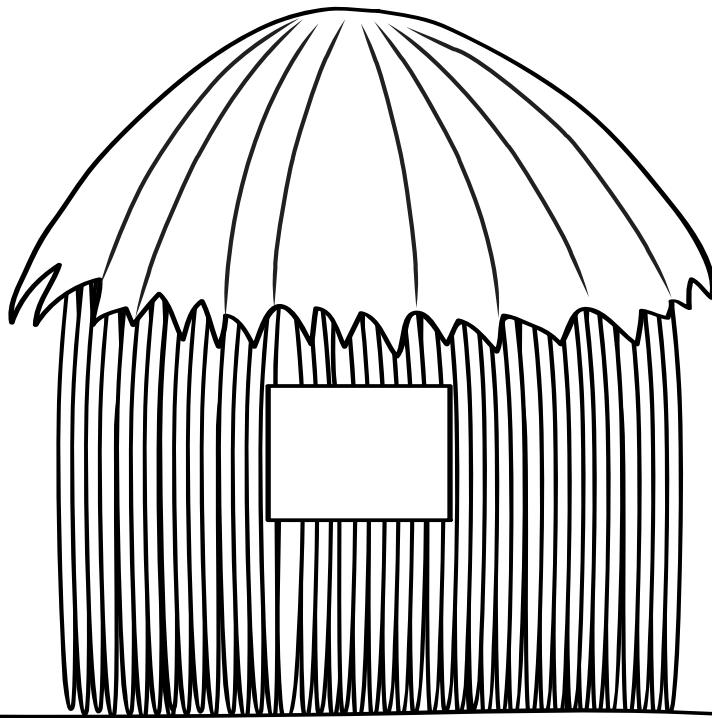

Some houses are made of bricks.

---

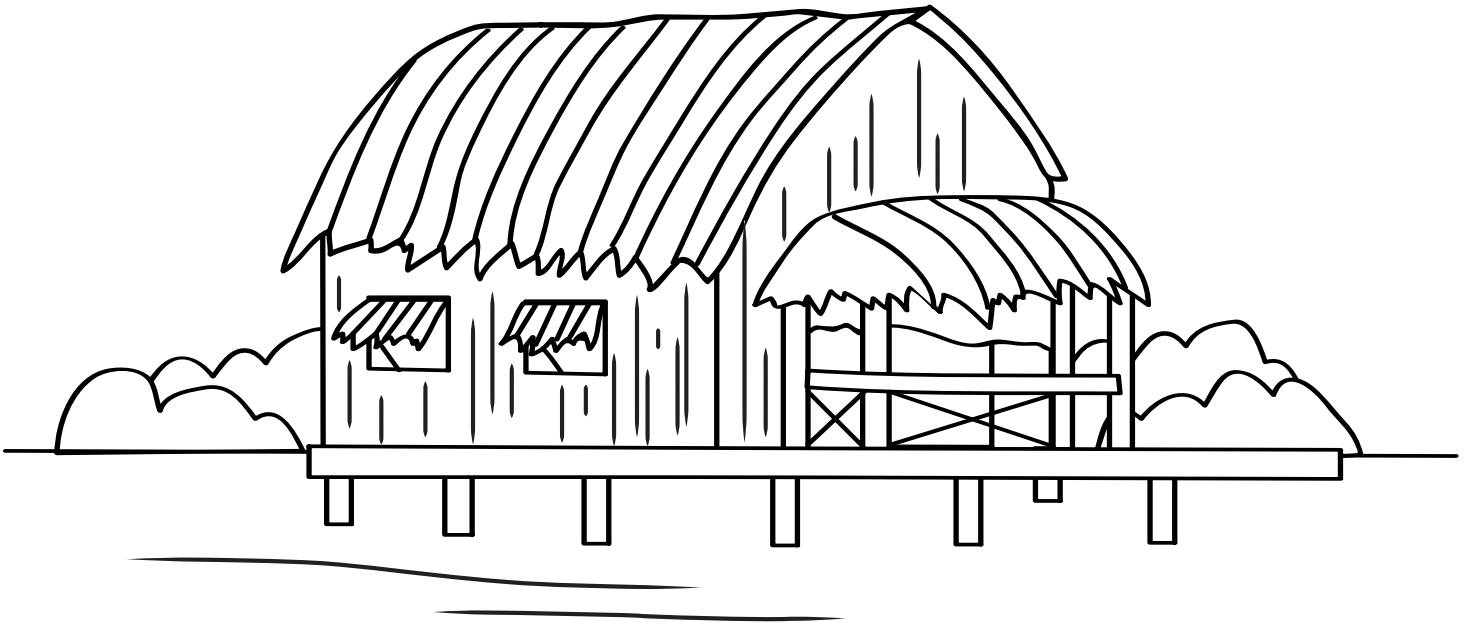

Some houses are made of snow and ice.

---

Some houses are made of straw.

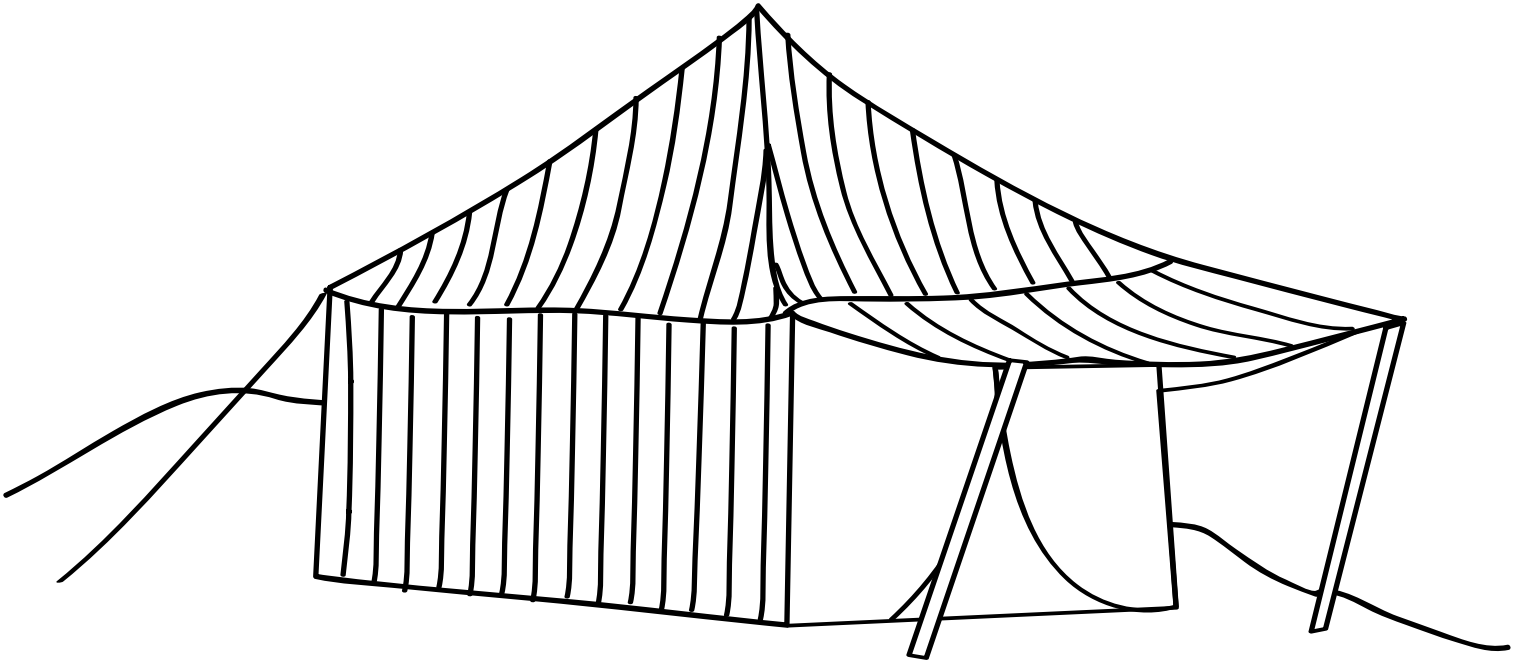

---

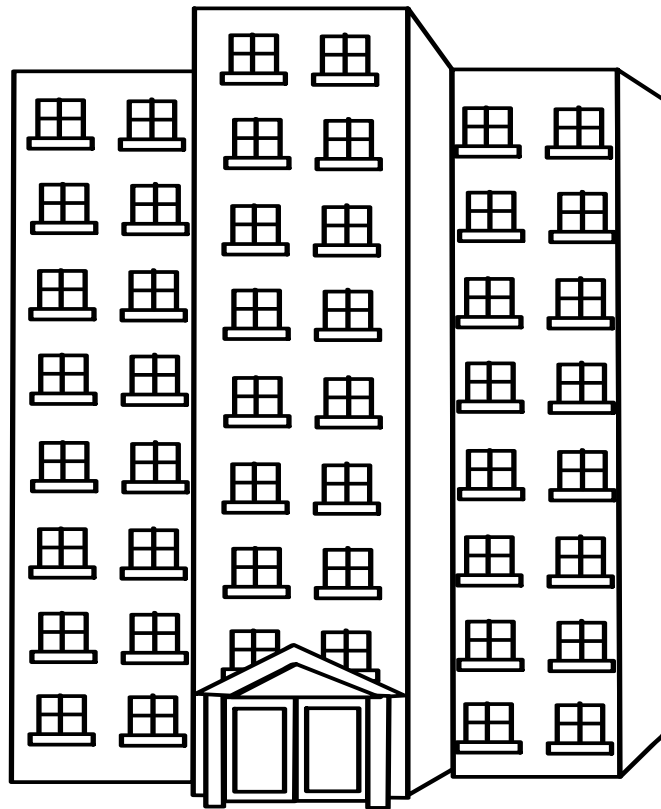

Some people live near rivers.

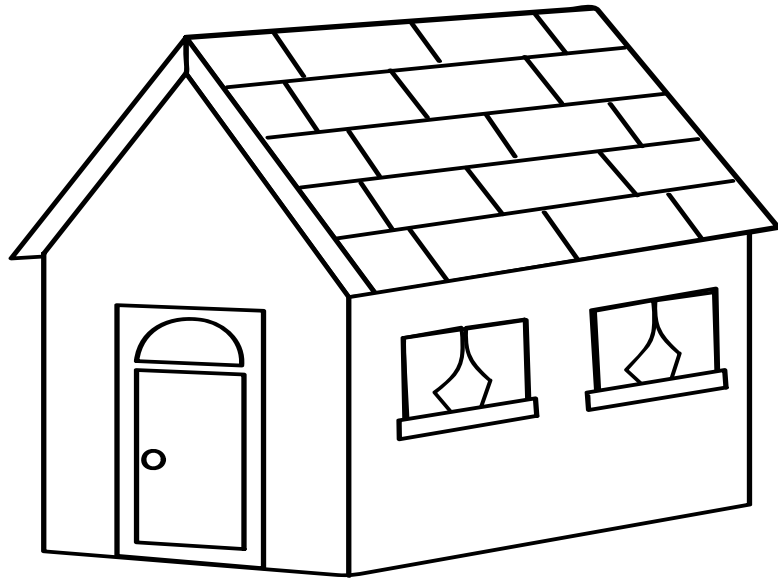

Some people live in trees.

Some people live in tents.

Some people live in big houses.

I live in a small house.

I love my sweet home.
