There are a lot of things I can do
by myself.

I can button and unbutton by myself.

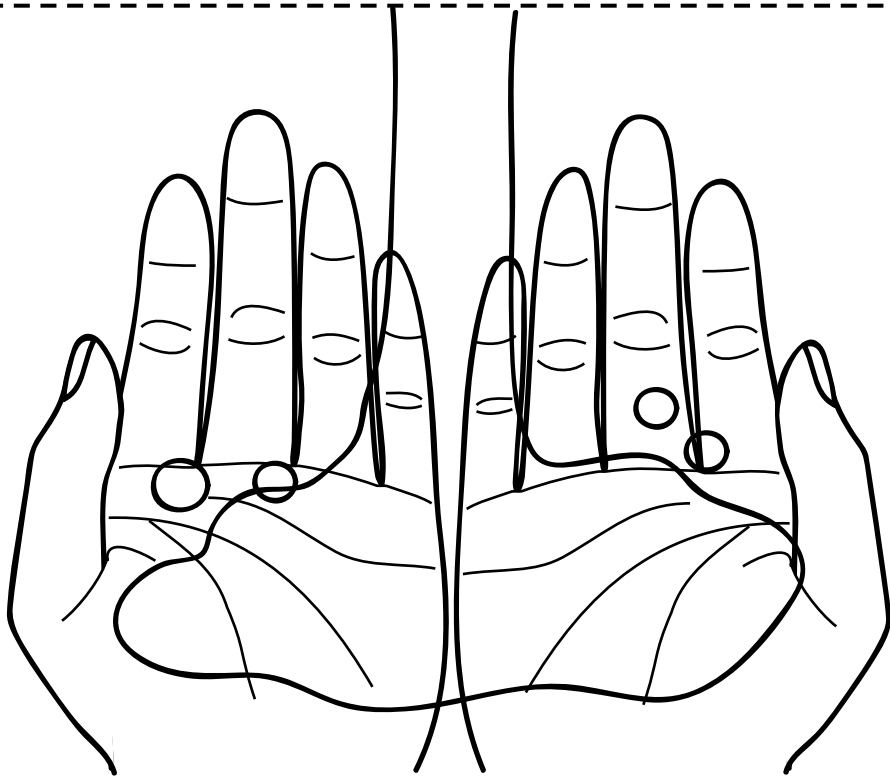

I can zip up and zip down by myself.

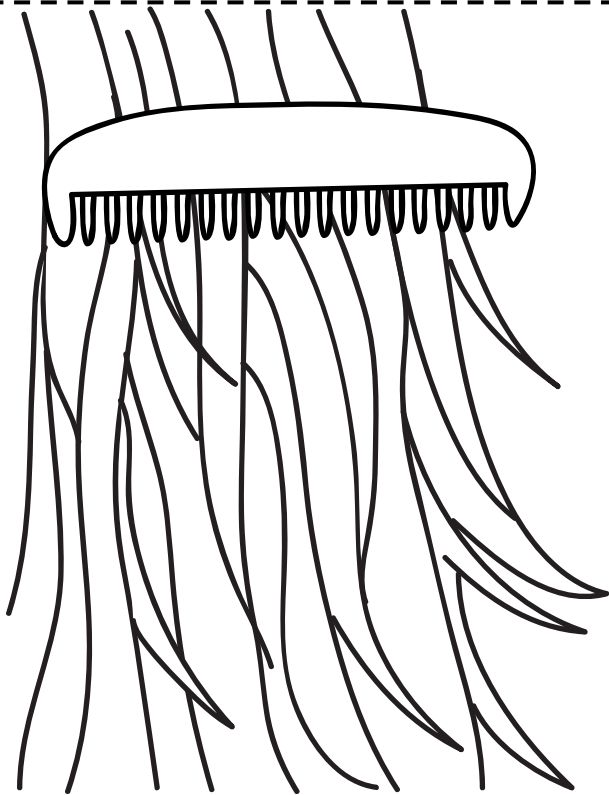

I can put on socks by myself.
I can tell which is right and which
is left.

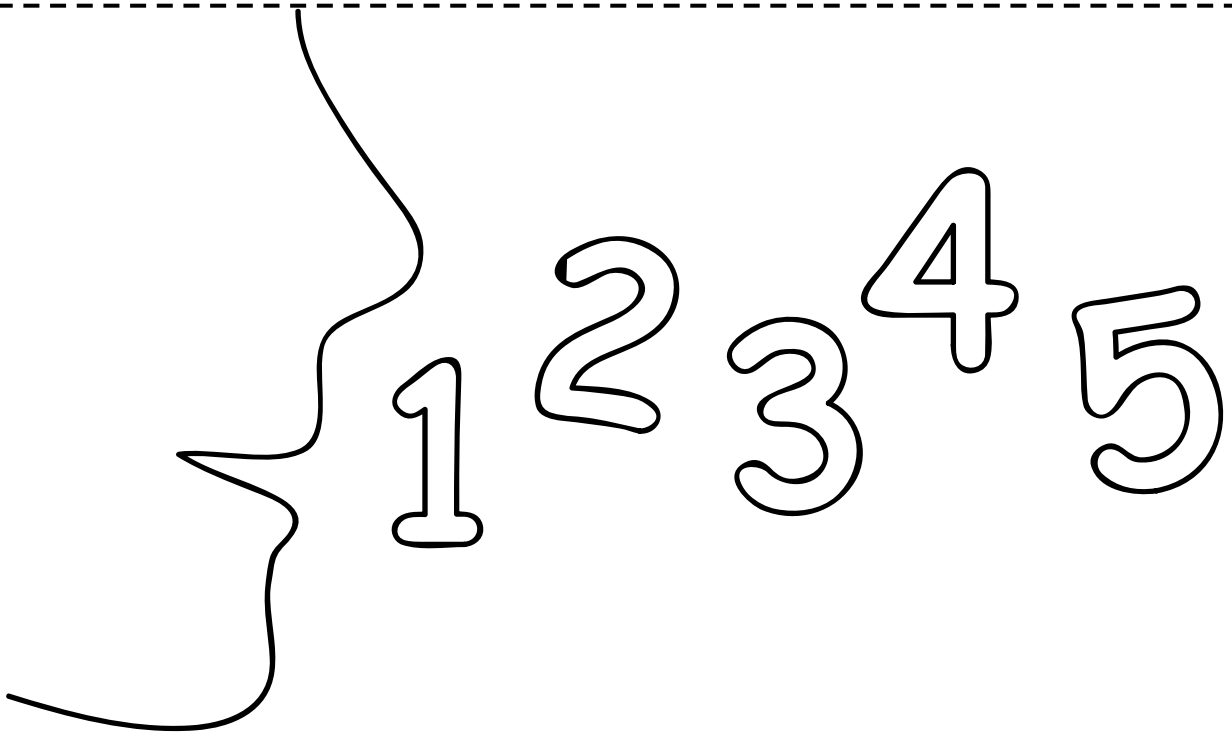

I can tie and untie my shoes
by myself.

I can wash my hands by myself.
Now my dirty hands are clean.

I can comb my hair by myself.
Now my messy hair is neat.

I can count forwards and backwards
by myself.

What kind of things can you do
by yourself?
